

SRS is offering a Virtual Conference Experience

2021 Virtual SRLC is a great opportunity to participate in the Support Raising Leaders Conference if you are unable to travel or have concerns with being in-person.

As the SRS team tracks the COVID-19 situation in Florida we want to let you know how to participate in the Support Raising Leaders Conference if you are unable to travel or have concerns with being in-person. We encourage a strong spirit of grace and respect as views surrounding this issue are incredibly diverse. Keeping our participants and staff safe is a high priority.
