### The source of our joy?

It is embracing the person and purposes of Jesus Christ. It is raising up laborers to take the gospel to the ends of the earth. It is equipping believers to be senders, goers, mobilizers, and welcomers (to the myriads of internationals within our borders). It is recruiting and empowering our future leaders. It is even putting smiles on young college students' (right) faces! In so doing, we have the extreme privilege of serving all kinds of ministries, agencies, and churches across the U.S. and beyond. Our staff, seminars, publications, courses, resources, ALL our vision, strategy, and passion is focused on one thing: the glory of God and the evangelization of the world—in this generation! Won't you join us?

The ministries Shad and Carol officially serve:

**US Center for World Mission/Mobilization Division**  
Began in 1976 by Dr. Ralph Winter, Carol and Shad came on staff in 2004 and serve as Director of Mobilization, under the authority of Dave Datema, General Director.

(Go to [perspectives.org](http://perspectives.org), [everyethne.org](http://everyethne.org), and [uscwm.org](http://uscwm.org) for more info)

the **BODYbuilders**

**The BodyBuilders**

We launched this ministry in 2000 to serve and equip churches and ministries around the world. Shad serves as President and operates under the authority of a 501-c3 Board of Directors.

Key ministries:

- NVision Seminars
- Personal Support Raising Boot Camps
- The Center for Mission Mobilization
- The BodyBuilders Press Publishing

(Go to [thebodybuilders.net](http://thebodybuilders.net) for info on all these)

The ministries Shad and Carol unofficially serve!

**Student Mobilization**

We launched this ministry in 1981 as Kaleo Summer Projects and later as StuMo, placing full time staff on college campuses around the South/Central US and overseas to reach students for Christ. Shad and Carol transitioned off staff in 2004 and now serve as Founder—purely as a friend and resource. Go to [stumo.org](http://stumo.org) for more info.

**The Traveling Team**

Partnering with StuMo staffer Todd Ahrend, we started this work in 1999 to help mobilize college students all over the U.S. for God's heart for the nations. Again, Shad now serves just as a friend and resource. Go to [thetravelingteam.org](http://thetravelingteam.org) for info.

## Family Updates

Carol and Shad celebrated their 26th anniversary this year. We are thankful for each other.

We surprised Shad's parents in Dallas with a 60th anniversary (and my mom's 80th birthday!) party. Friends and family from around the country came.

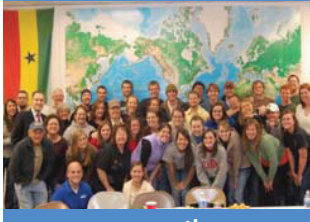

Carol and Shad spent a weekend helping Kent and Marietta McClure move into their new house in Benton, Arkansas.

Shad and Spencer and other friends (clockwise: Spencer, Sean Cooper, John Patton) spent a weekend floating, fishing, and playing spades!

# GOD'S BLESSINGS 2009

## JANUARY

[www.perspectives.org](http://www.perspectives.org)

Spring Perspectives classes got kicked off all over the country, like this one at Corvallis, Oregon, home of Oregon State. U.S. stats: Over 200 locations, 1000 volunteers, 1800 instructors, almost 7,000 students. WOW! Praise God.

## MAY

Ralph Winter (right), founder of U.S. Center for World Mission, passed away on May 20th, but chose a great couple to lead us forward: Dave & Cathie Datema (middle). Shad travels to Pasadena almost monthly to participate in the transition team.

## SEPTEMBER

God is using Perspectives to raise up the next generation of world Christians and missionaries. Wycliffe Bible Translators (Bob Creson, CEO, in middle) invited our leadership to Orlando to form partnerships with Wycliffe, Campus Crusade, Pioneers, and other agencies.

## FEBRUARY

The ShadPad is packed with students on a regular basis. Amazing how an open door, free food, and smiling faces brings them in! Here KK is sitting with University of Arkansas varsity gymnastic, golf, volleyball, and soccer players.

## JUNE

The Lord gave us a great new headquarters right on the square in downtown Fayetteville. It is a 9,000 sq. ft. office building that is perfect for our growing staff. We are calling it "The Center for Mission Mobilization." Come visit us!

## OCTOBER

Shad and Carol launched a Sun night group with 12 college students to study through John Piper's *Let the Nations Be Glad* book. Amazing what God did in our hearts! Most all of these students are planning to go long term into cross cultural missions.

## MARCH

Shad does a Support Raising Boot Camp in a different city each month. Pictured: In Co Springs at the Navigator headquarters. Over 500 missionaries/Christian workers trained in 2009!

## JULY

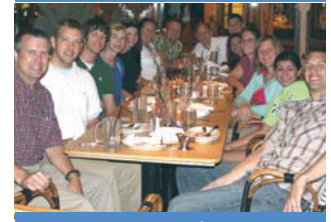

330 wild and crazy college students spent a day with Shad in the NVision Seminars. It was at a Campus Outreach Orlando summer project. Go to [thebodybuilders.net/nvision](http://thebodybuilders.net/nvision) to bring one to your church or conference.

## NOVEMBER

God has given us an incredible staff team here in Fayetteville. All but three are gathered here for a time of prayer and sharing the common ministry vision the Lord has given us to reach the world for Christ.

## APRIL

[www.everyethne.org](http://www.everyethne.org)

Every Ethne (staff shown) is our ministry placing full time mission mobilizers on major campuses to engage, equip, and connect students to the Great Commission. We're in 4 out of 50 states—only 46 to go!

## AUGUST

Feeding 40 freshmen guys and then squeezing them into your living room to share the gospel and personal testimonies has a way of impacting young lives. Pray God would continue to use us (and our home!) for His glory.

## DECEMBER

The Lord has given us four fabulous girls living with us this year. Back l to r: Kelli and Christina. Front: Meredith and Dani. Meredith is marrying Sean Cooper (who lived with us last year) in December!
