

# YOUR VISION SHEET

Introduction: Once you have completed your calling sheet you are now ready for your vision sheet. Give the expanded version to these questions, then come back with a three sentence version that you can share in 20 seconds with someone who asks, “So tell me, what is the vision you have for your ministry?” You don’t want to stutter or stumble. You want to be able to look them in the eye and know exactly what you want to communicate. Go for it!

1. Why do you believe God has called **you** to minister with **this** organization?  
(Write out the reasons why you believe He has called you to your ministry.)  
What verses did God use to confirm this direction and decision?

2. What is the **personal** vision **God** has given you to fulfill the Great Commission?

3. What kind of impact are you **trusting** God to make through you in this ministry?

“Vision is what you will seek to achieve within the parameters of your calling. Vision is too crucial to ignore, to squander or to misunderstand.”

—George Barna  
*Author and Pollster*

4. What do you hope will be the end result?  
(Write down some **specific** goals that you can share with others)
